Allowable Subject Matter

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art made of record fails to teach/show a method for adjusting engine power in response to a driver power request comprising the steps of monitoring and comparing driver power requests to the nominal engine power versus vehicle speed range over time to determine a driver profile, determining at least one engine power correction factor based on the driver profile, initiating a subsequent engine power request, and applying the correction factor to available engine power to provide a modified engine power output.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
